NEWSLETTER OF ST. THOMAS MORE ALUMNI

WILL YOU BE THERE?

The Executive is delighted to announce that the school have confirmed that our Annual Dinner can go ahead as planned on **SATURDAY 9th OCTOBER.**

But...that's only four weeks away!!

So in order for us to make the critical decision whether to proceed we need an urgent show of hands.

The format will, as usual, be a four-course meal and a brief speech from one of our number. We also hope to be able to include our traditional Intercourse Bingo.

The menu is still being finalised, as is the cost, but it is likely to be in the region of previous ticket prices.

So, if you'd like to attend...
