

# MOREANA *LITE*

NEWSLETTER OF ST. THOMAS MORE ALUMNI

## IT'S CERTAINLY BEEN A WHILE

It most definitely has been quite some time since we last sent a *Moreana* to members.

Blame Covid-19, global warming, international conspiracy theories or just plain inertia, but let's just say things this year aren't

quite as straightforward as we would all like.

BUT, in an effort to demonstrate that this esteemed association is not just sitting on its laurels [*well not all the time - Ed*] we've come up with the cunning wheeze of attempting to disseminate information and news via a series of

occasional short, sharp *Moreana Lites*.

This, the first of such things, is designed primarily to focus attention on our burgeoning Facebook site, but also to keep you apprised of plans for 2021's annual events.

So, without further ado, read on...

## IS FACEBOOK THE WAY FORWARD?

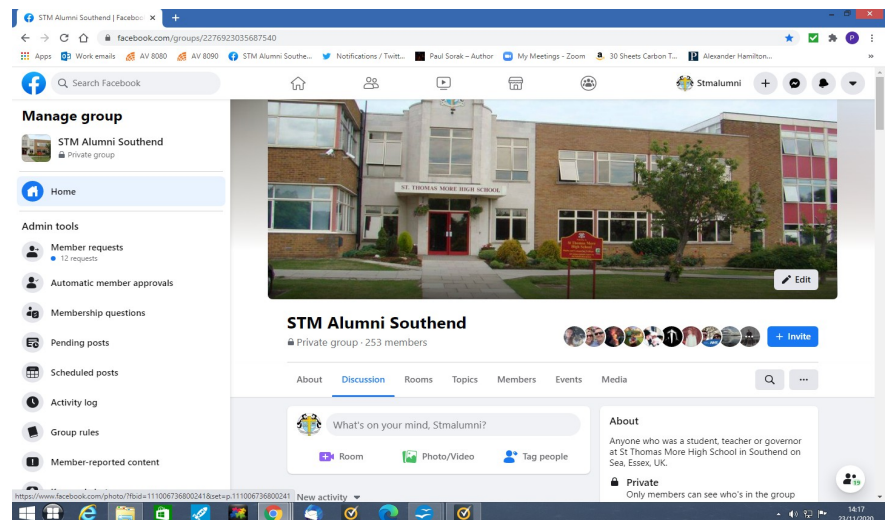

If you're not already a member of our Facebook group then we seriously recommend you give it some thought.

We currently have 273 members in our private group and the numbers are growing almost every day.

It's a great way for everyone to keep in touch and allows instant communication of Alumni news.

There's been very interesting discussions about all sorts of things including the school history, sports memories and pics from past

school plays.

If you're at all nervous just join Facebook with a seriously locked-down profile on your account then visit the address on top of the screen shot (above) and ask to become a Friend. We'll take it from there.

## DATES FOR ANNUAL EVENTS

Covid-19 allowing, we're planning to hold the 2021 Annual Dinner in the autumn and the Memorial Mass around its usual mid-June date.

Watch out for more info.
